

Please, tell us something about you.

Name and surname: Ayşe Pinar BAŞ

Where are you from? : Aydın / Turkey

Name of your University: Sakarya University

Year of attendance: 4. year (education takes 4 year at my university and I am in last year)

What major are you in? : Industrial Engineering

What is your hobby? :

I like taking photo and I have semi-professional camera, I am just beginner now. I like swimming. I live in Kuşadası during the summer, Kuşadası is seaside, so swimming is not problem for me. I like also doing big puzzle, which have 1000 or 2000 tracks pieces. It takes long time, but it helps me to improve concentration and my memory. I like watching movies and reading books.

What do you like about Slovak people? ☺:

I think young people are more helpful than older. But maybe most of older people can't speak English so they didn't help us. Generally when we ask question, they try to answer. I like Slovak people ☺

Do you like Slovakia and what do you like the most about Slovakia? :

There are lots of historical buildings and they are very impressive. I have a chance to see different culture. I think Slovakia is pretty country. Turkey is very crowded so maybe I can feel in this reason. I saw just some parts of Slovakia and as I can feel I like it. 😊

Tell us something more about you (whatever you want) 😊:

It is the first time abroad so I am very excited. I want to live different experience. I think these experiences and your school will be useful to me in my future business life. After license education I want to get a master's degree. I always study to develop myself. There are lots of information and I have change to learn something new.
