INFORMATION FOR AUTHORS

The language of the conference is English. All submissions must therefore be in English. Submissions to CO-MAT-TECH 2012 should not have been published previously in a journal or conference proceedings, nor presented at another conference, nor currently under review or consideration for publication or presentation elsewhere. The abstract should be no less than 150 words and should not exceed 300 words. Keywords include up to 5 keywords or key phrases. The length of the papers is limited from 4 to 8 A4 pages (Times Roman 11pt), including references and appendices. All submissions must be in .DOC format and must use the CO-MAT-TECH 2012 template. This document also contains the general guidelines for formatting of all submissions. Manuscript without the required format will be not accepted. We recommend all manuscripts to be professionally proofread before the submission. You can use for example www.editavenue.com for professional proofreading. All submitted papers will be pre-screened for compliance with the submission guidelines and appropriateness for the conference. Paper submissions that pass the initial screening will be evaluated in a double-blind peer review process. These include research papers, research-in-progress papers, teaching cases, education papers, position papers and practitioner reports. Papers presented at the conference will be published in the electronic conference proceedings with the ISBN published by Alumni Press Trnava. Selected papers will also be published in expanded form in foreign monograph. We also offer to publish selected papers in Scientific Journal „Manager Forum“ with the ISSN 1336-7773.

NOTES

Conference fee includes the registration fee, organizations costs, scientific programme, conference materials, proceedings in electronic version, refreshments and conference lunches (2 days) during the conference. Conference fee – passive registration includes the issue of proceedings in electronic version and distributes the conference participants. Prices are per person. All prices are with VAT 20 %.

Registrations will not be processed without payment. The registration fee is determined by the date the payment is made, not the date of registration. An invoice will be issued only upon request of the participant. Specify the billing information for the tax invoice. Information about accommodation possibilities will be published on the website <http://www.comattech.sk>.
