## Aim of the Conference

The conference focuses on issues of environmental and safety aspects of fires and disasters. It is intended for people working in field of safety and environment, firefighters and so on. The aim is to familiarize participants with the current state of the subject through professional lectures and also to create closer links between scientific and research university employees, practitioners and the public in order to develop cooperation.

### Topics

- Fires and disasters and their effects on the environment
- Dangerous substances
- Fire- technical characteristics of substances and their application in practice
- Elimination of consequences of fires and disasters
- Environmentally acceptable disposals of fires and disasters
- Decontamination operations
- Management of hazardous activities before and after disasters

### Conference Program

8:00 ÷ 9:00	presentation of participants
9:00 ÷ 9:15	conference opening
9:15 ÷ 10:30	lectures of participants
10:30 - 10:45	coffee break
10:45 - 12:45	lectures of participants
12:45 ÷ 13:45	lunch
13:45 ÷ 15:30	lectures of participants
15:30 - 15:45	coffee break
15:45 - 18:00	lectures of participants
18:00	conclusion

The detailed timetable will be published at least 1 week before the conference on [www.mtf.stuba.sk](http://www.mtf.stuba.sk)
