Vyhľadávanie

Kritériá rešerše:

- termíny: metódy výskumu, nie hodnotenie v abstrakte. (Často sa tieto dva termíny nachádzajú spolu, preto chceme rešerš upraviť tak, aby sa výsledky týkali iba metód výskumu a nie hodnotenia. Dosiahneme to zvolením možnosti *not* medzi dvoma vyhľadávanými výrazmi.),
- oblasť: Research methods, Methodology, Evaluation,
- vyhľadávanie vo všetkých rokoch dostupných v SAGE,
- formát výstupu: zhustený s 25 výsledkami na stranu zoradenými podľa dátumu.

<p>Popular Film as an Instructional Strategy in Qualitative Research Methods Courses</p> <p>Johnny Saldaña</p> <p>Arizona State University</p> <p>Abstract</p> <p>The purpose of this article is to provide university instructors pedagogical applications for popular film in graduate-level qualitative research methods courses. Media instruction has a longstanding tradition in Grade K-12 classrooms, and the power of "edutainment" in our visually oriented, electronically mediated, and performative culture should not be underestimated or dismissed by university professors for their masters- and doctoral-level classrooms. Excerpts from strategically selected popular films introduce qualitative research topics, illustrate basic principles and techniques of inquiry, generate classroom discussion and reflection, clarify misunderstood constructs, function as referential mnemonics, and teach selected principles more effectively than traditional classroom pedagogy. In these film excerpts, art imitates qualitative life, and art is used to teach the science of naturalistic inquiry.</p> <p>film qualitative research research methods teaching</p>		<p>« Previous Next Article »</p> <p>Table of Contents</p> <p>This Article</p> <p>Published online before print October 15, 2008, doi: 10.1177/1077800408318323</p> <p>Qualitative Inquiry January 2009 vol. 15 no. 1 247-261</p> <p>» Abstract Free Full Text (PDF) Free to you</p> <p>All Versions of this Article: 1077800408318323v1 15/1/247 most recent</p> <p>References</p> <p><input type="checkbox"/> Services</p> <ul style="list-style-type: none"> ▶ Email this article to a colleague ▶ Alert me when this article is cited ▶ Alert me if a correction is posted ▶ Similar articles in this journal ▶ Download to citation manager ▶ Request Permissions ▶ Request Reprints <p><input type="checkbox"/> Citing Articles</p> <ul style="list-style-type: none"> ▶ Citing articles via Google Scholar <p><input type="checkbox"/> Google Scholar</p> <ul style="list-style-type: none"> ▶ Articles by Saldaña, J. ▶ Search for related content <p><input type="checkbox"/> Share</p> <p></p>
