

Working at Freudenberg: "We will wow your world!" This is our promise. As a global technology group, we not only make the world cleaner, healthier and more comfortable, but also offer our 52,000 employees a networked and diverse environment where everyone can thrive individually. Be surprised and experience your own wow moments.

Protecting people and the environment, and optimizing industrial processes - that is what drives us at Freudenberg Filtration Technologies. We serve our automotive, consumer goods and industrial customers with technically leading products, system solutions, services and consulting in air and liquid filtration. As part of the Freudenberg Group, strong corporate values guide us in our aspiration for innovation, efficiency and highest customer focus. With a dedicated team of around 3,500 colleagues, we generate an annual turnover of about 670 million euros.

You support our team as

## LEAN TRAINEE

### Responsibilities

- The Operations Trainee will focus on supporting the company's Lean transformation. The primary objective is for the trainee to gain an understanding of Lean principles, implement Lean projects, and foster a Lean culture across the organization. The trainee will play an essential role in promoting continuous improvement and sustainable Lean practices in a global manufacturing environment.

### Qualifications

- University graduates or young professionals (aprx. two years of experience) with a preference for engineering or technical background
- Familiarity with Lean methodologies or continuous improvement principles is beneficial but not a must
- Strong English skills and a willingness to work abroad and travel extensively
- Slovak language is mandatory
- Strong problem-solving skills and a hands-on mentality
- Excellent communication skills and ability to inspire and guide team members

The Freudenberg Group is an equal opportunity employer that is committed to diversity and inclusion. Employment opportunities are available to all applicants and associates without regard to race, color, religion, creed, gender (including pregnancy, childbirth, breastfeeding, or related medical conditions), gender identity or expression, national origin, ancestry, age, mental or physical disability, genetic information, marital status, familial status, sexual orientation, protected military or veteran status, or any other characteristic protected by applicable law.
