

FOURTH CALL FOR PAPERS

Central European Conference on Logistics (CECOL 2012)

Slovak University of Technology in Bratislava. Faculty of Material Sciences and Technology in Trnava, November 28-30, 2012, Trnava, Slovak Republic

As a result of the scientific collaboration among higher education centers of the central European zone and two previous successful editions held in Miskolc, Hungary (2010) and Częstochowa, Poland (2011), the Institute of Production Systems and Applied Mechanics, belonging to the Faculty of Materials Sciences and Technology (MTF) is proud to announce that the 2012 Central European Conference on Logistics (**CECOL 2012**) will be held in the city of Trnava, Slovak Republic, during November 28th-30th, 2012.

The **CECOL 2012** will provide a high-level international platform for academicians and practitioners from all over the world, to present their research results and development activities in the broad **field of Logistics**. This way, the organizing committee is pleased to invite prospective authors to submit their original manuscripts to the conference. Papers should be sent to the following e-mail address (**cecol2012@gmail.com**) before the deadlines; these should be submitted in **MS WORD and PDF** having **between 5-8 pages** and following the journal format guidelines. Topics of interest for the conference should be related but not limited to:

1. Manufacturing process design, optimization and control
2. Manufacturing automation
3. Manufacturing process simulations
4. Analysis of the material flow
5. Maintenance
6. Production planning

7. Production scheduling
8. New teaching and research approaches
9. Intelligent Manufacturing systems and cells
10. Robot implementation into the logistic processes
11. Among others

In this edition, for the first time, after the referring process, all those outstanding papers selected to be included in the conference will be also published by **trans tech publications inc. in the "Applied Mechanics and Materials"** journal, ISSN: 1660-9336, ISSN/ISO: Applied Mechanics and Materials. This journal is available online at <http://www.ttp.net/1660-9336.html>

The Journal is **indexed and abstracted** in the following databases: SCOPUS www.scopus.com and Ei Compendex (CPX) www.ei.org/. Cambridge Scientific Abstracts (CSA) www.csa.com, Chemical Abstracts (CA) www.cas.org, Google and Google Scholar google.com, ISI (ISTP) www.isinet.com, Institution of Electrical Engineers (IEE) www.iee.org, etc.

The authors will receive **free online "author access"** via their email address (as it appears in the paper), for which a password will be supplied by the publisher. Via this access authors **will be able to download their papers as PDF and order reprints online.**

* The bound proceeding edition will be ready between 8 to 10 weeks after the CECOL 2012 team sends the full manuscripts and needed documentation to the editor of the

journal, however, within 4 to 6 weeks after all this information is sent, the online version would be already available.
