

## *Zahraničné projekty UVTE 2012*

---

Označenie	
Názov projektu	Investigation of tribological processes of processing, exploitation and maintenance of gears in modern agricultural engineering
Názov v slovenčine	Investigation of tribological processes of processing, exploitation and maintenance of gears in modern agricultural engineering
Názov v angličtine	Investigation of tribological processes of processing, exploitation and maintenance of gears in modern agricultural engineering
Koordinátor	Ing. Ladislav Morovič, PhD.
Dátum od	12.01.2012
Dátum do	--
Program	CEEPUS
Pracovisko	UVTE MTF

---

Označenie	<b>CIII-PL-0007-07-1112</b>
Názov projektu	Modern methods of the constitution and measurement of geometrical surface structure
Názov v slovenčine	Modern methods of the constitution and measurement of geometrical surface structure
Názov v angličtine	Modern methods of the constitution and measurement of geometrical surface structure
Koordinátor	Ing. Ladislav Morovič, PhD.
Dátum od	01.09.2011
Dátum do	31.08.2012
Program	Vytváranie sietí spolupracujúcich vysokých škôl
